Guest Speaker: Lori Heeren, Executive Director of the Nevada SPCA

Lori said it was a pleasure to talk to like-minded people that share her love for animals. Founded in 1982, Nevada SPCA is Southern Nevada's original lifesaving animal shelter. They moved to a brand new 22,000 sq. ft. facility in October 2021. They intake dogs, cats, rabbits, guinea pigs, pet rats, and find them loving new homes. They are not supported by government contracts or affiliated with any parent organizations. They are supported entirely by donations. They are a local and independent 501©3 nonprofit organization. They have a program to accept and train volunteers to work at the shelter. They are also accepting donations of pet food, the highest need is for dry dog and cat food.
